We confirm that to the best of our knowledge and belief, having made enquiries as we consider sufficient, we can make the following representations to you.

Management representations

Responsibilities

We have fulfilled our responsibilities for:

- The preparation of the financial statements in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2014-15; in particular the financial statements give a true and fair view in accordance therewith.

 - unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- The results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 - Our knowledge of fraud or suspected fraud that we are aware of and that affects Powys County Council and involves:
 - management;

 - others where the fraud could have a material effect on the financial statements.
 - Our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others.

Financial statement representations

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

Significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions. The effects of uncorrected misstatements identified during the audit and reported in the ISA260 are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. A summary of these items is set out below:

- Not all historic impairments have been correctly reversed out upon revaluation in 2014-15, value £213,580.
- An invoice for capital expenditure has been coded to revenue, value £207,274.
- Depreciation has been incorrectly calculated and consequently understated for certain assets in 2014-15, value £444,917.

The non-correction of these items does not impact materially on the accounts and does not provide the reader with a different understanding of the accounts or the financial position of the Authority.

Representations by those charged with governance (the Audit Committee)

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by Powys County Council on 28 September 2015.

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware.
