

CYNGOR SIR POWYS COUNTY COUNCIL.

**CABINET EXECUTIVE
28 February 2017**

REPORT AUTHOR: County Councillor Barry Thomas
Leader of Council

SUBJECT: Corporate Improvement Plan 2016/20 - 2017 Update

REPORT FOR: Decision -

1. Summary

- 1.1 The council introduced its Corporate Improvement Plan (CIP) 2016/19, approved by full council on the 13th July 2017. The CIP coherently presented key commitments made through the One Powys Plan, Service Improvement Plans and the Budget and Medium Term Financial Strategy. The approach was welcomed by key stakeholders including the Wales Audit Office.
- 1.2 The council has a statutory duty under the Local Government (Wales) Measure 2009 (the Measure 2009) to publish an annual improvement plan.
- 1.3 This duty has previously been met through an integrated approach to the former Local Service Board's One Powys Plan. Whilst having some advantage it has been previously recognised that this approach did present some difficulties, restricting our ability to communicate and engage with key stakeholders regarding the work of the council.
- 1.4 Following the introduction of the Well-being of Future Generation (Wales) Act 2015 (the Well-being Act), the council also has a duty to publish well-being objectives and a well-being statement.
- 1.5 To achieve its vision for Powys 2020, the council identified 4 key priorities – these provide the framework for the CIP:
- Services delivered for less
 - Supporting people in the community
 - Developing the economy
 - Learning
- 1.6 The Welsh Government and the Future Generations Commissioner have made it clear that duties to set and report on wellbeing objectives (under the Well-being Act) should not be treated as separate from any objectives that guide and steer the actions and decisions of organisations. In addition, they have also set out that planning and

reporting processes should be aligned and integrated. As the Measure 2009 states, Improvement Objectives need to reflect the key strategic priorities of authorities and to all intents and purposes, well-being objectives and improvement objectives can be treated as one and the same. Therefore, by integrating processes for setting and reporting on these key objectives, authorities can discharge their duties under both areas of legislation. For these reasons, it makes sense for the council to adopt its existing priorities as its well-being objectives as they clearly support and contribute to the goals.

- 1.7 The CIP 2016-20 has been updated for 2017-18 to take account of changes in the MTFs and Service Improvement Plans. The CIP has also been strengthened to meet our duties under the Well-being Act. This requires the council to set and publish well-being objectives by 31st March 2017, to show how it will contribute to the seven national well-being goals.
- 1.8 How each priority supports the national well-being goals is illustrated in fig 1.
