SUBJECT: **Vision 2025: Our Corporate Improvement Plan 2018-23**

REPORT FOR: **Decision**

1. Summary

- 1.1 The purpose of this report is to present the Cabinets new Vision 2025: Our Corporate Improvement Plan (CIP) 2018-23 (see Appendix A), for consideration and approval.
- 1.2 Following the launch of the Cabinets new Vision 2025 in July 2017, it was agreed that a new CIP would be developed to support its delivery, covering the period 2018-2023 in line with the electoral cycle. The new CIP will replace the current CIP 2016-20 which is based on the previous administrations priorities.
- 1.3 The CIP 2018-2023, has been developed in accordance with the statutory requirements of the Well-being of Future Generations (Wales) Act 2015 (WBFG Act) and the Local Government (Wales) Measure 2009.
- 1.4 The WBFG Act required the council to set and publish well-being objectives and a well-being statement by no later than 31st March 2017. To avoid duplication these were published in the current CIP 2016-20 (2017 Update). Vision 2025 introduced a new set of priorities (Economy, Health and Care, Learning and Skills and Residents and Communities) and these will also be the council's Well-being objectives from 2018 onwards.
- 1.5 Vision 2025: Our Corporate Improvement Plan has been produced in parallel to the council's key improvement plans (Children's /Adults/Schools/ Leadership and Governance) and takes into account the need to make significant improvements to our statutory services in the short term and balancing this with longer term transformational change.

- 1.6 The CIP is aligned to the Powys Public Service Board Well-being Plan and the Regional Partnership Board Area Plan. This ensures that partners are working towards the same outcomes for the people of Powys.
- 1.7 The development journey of Vision 2025: Our CIP has sought to seek and capture the views of as many stakeholder as possible. Officers and members have been involved in a series of workshops and seminars towards the end of 2017. The CIP was also presented to Scrutiny Joint Chairs for comments in February 2018. The views captured through the Well-being Plan consultation with residents have also been considered.
