

Well-being 12 steps

We have agreed an initial 12 well-being steps to deliver our local objectives in this first plan. These are collective steps, where we need to work together and enhance the work we're doing as individual organisations and communities. Again more detailed information about the steps is provided later in this plan.

01

Actively engage with residents, communities and key stakeholders to promote, shape and deliver our vision for 2040

02

Establish a simple and effective performance management framework to monitor progress in delivering the well-being steps and achieving the vision

03

Work with and influence others to improve our transport infrastructure, our existing transport links and develop a sustainable and integrated approach for planning and delivery

04

Work with and influence others to ensure improved digital infrastructure for Powys

05

Develop a joint approach to community resilience by co-ordinating existing support and building the skills and capacity within communities helping them do the things they can do for themselves

06

Develop a holistic approach to skills and lifelong learning, which offers a range of formal and informal opportunities, including apprenticeships and traineeships

07

Develop a carbon positive strategy that maximises green energy production

08

Develop a sustainable environment strategy

09

Undertake market research and establish an effective infrastructure to support active enjoyment of the environment and adventure tourism

10

Develop a strong brand to promote and attract inward investment into Powys

11

Implement more effective structures and processes that enable multiagency community focused response to wellbeing, early help and support

12

Develop our organisations' capacity to improve emotional health and well-being within all our communities
