

POWYS PUBLIC SERVICES BOARD

Step 8	Develop a sustainable environment strategy
PSB lead	Martin Cox
Partners/stakeholders involved Interested parties identified during the engagement or who could help deliver?	NRW BBNP PCC Powys Health Board Police Service (Wildlife Crime Officer) NGO's Landowners Business Young People form Growing Mid Wales Partnership
Scope of the step What needs to be done to deliver the step?	<ol style="list-style-type: none"> 1. Scope out what the joint environmental priorities for PSB partners and stakeholders 2. Establish what the current PSB organisational priorities are and where they align and what the overlaps and gaps are. We also need to understand how our strategies are aligned with national priorities such as the Nature Recovery Plan, Natural Resources Policy and SONARR. 3. We need to make sure that there is integration with other PSB groups (particularly climate change/ renewables and outdoor tourism/ recreation) also the Mid Wales Area Statement which is being managed by NRW and the 'Growing Mid Wales' Partnership 4. There appears to be four key areas where we should focus. These have been derived from the initial Well-being Assessment work and current WG policies: <ul style="list-style-type: none"> • Connecting people with nature (recreation, enjoyment, volunteering, education) • Reducing society's impact on the environment (reducing unsustainable use, pollution, waste etc) • Ecological & climate change resilience (biodiversity, key species, connectivity, pollinators etc) • Sustainable Use – (ensuring society and business use the environment and its resources sustainably)

POWYS PUBLIC SERVICES BOARD

	<ol style="list-style-type: none"> 5. Need to scope out perhaps 6 flagship projects in Powys that are demonstrating good practice and use these as case studies. 6. Need to draft some initial (perhaps 12) environmental priorities for Powys under the four bullet headings above 7. Need to convene a working group to steer the work. This could include: PSB Members: NRW, BBNP, PCC, Health Board, Fire Service, Dyfed Powys Police Wildlife Crime Officer, Stakeholders: Conservation Sector, Landowning Sector, Recreation/Access/Education Sector, Business Sector
