18th October 2018**

**REPORT AUTHOR: County Councillor Phyl Davies, Portfolio Holder for
Highways, Recycling and Assets**

SUBJECT: Question from County Councillor Gareth Ratcliffe

Hay-on-Wye residents welcomes the moving forward of replacement rails on Hay bridge it is something the Town council and myself have been pushing for many years to make safe and update one of the entrances in to our community over the river Wye. Can the portfolio holder confirm that the council plans to start works in this financial year?

Response

A scheme to address the condition of the parapets on Hay Bridge has been included in the Capital programme for 2017/2018. It was originally proposed to refurbish the existing parapets, however, following a more detailed investigation it has been decided that it is more beneficial to replace them with new ones. Works to replace the parapets are scheduled to be completed in this financial year with an anticipated start early in the new year.
