Allotments

There are currently six allotment sites that are managed by the County Council –

Llanidloes x 2 – rent is received into PCC

Newtown x 1 – rent received into PCC

Talgarth x 1 – rent received into PCC

Brecon x 3 – two allotments have been handed over to the allotment association

The cost of a small allotment is £10.50 per annum and a large allotment is £17.50 per annum. There are no plans to increase these charges as they are in line with Town and Community Council charges and the Allotment Act.
