Portfolio Holder for HR

Decisions Taken 18<sup>th</sup> March 2011

Reprographics Review: External Print Procurement Review

DECISION	Reason for Decision:
To adopt the Value Wales Framework	As the procurement exercise demonstrates there is little to be gained from putting in place a Powys Framework indeed it could be argued that it would disadvantage the only Powys based supplier who attained in good faith a place on the WAG Framework. Recognising the rationale of the Board to provide SME's an opportunity to win business; this would be a perverse outcome. The Portfolio Holder for HR and Communications has therefore decided to terminate the procurement process for a Powys Framework and utilise the Value Wales Framework.
