

Health, Care and Housing Scrutiny Committee – 4th February 2019

Scrutiny Briefing – CIW Inspection of Children’s Services

This meeting will start with a presentation by Denise Moultrie, Lead Inspector from Care Inspectorate Wales of the Inspection of Children’s Service with an opportunity to discuss the Inspection report with Ms Moultrie.

The agenda will also contain a copy of the improvement plan which is required to be submitted to CIW within 20 working days of the publication of the inspection report. (This document will be published in a supplementary agenda prior to the meeting).

All Members will receive a briefing on the 30th January 2019 from the Portfolio Holder and service on the Inspection report and the actions taken since October 2018 when the Inspectors visited.

The purpose of the scrutiny meeting is not only to receive a presentation on the report from the CIW but also to examine the improvement plan to provide assurance that it is designed to meet the shortcomings identified within the inspection.

Members of this committee have received reports and presentations on performance, pre-cabinet matters, inspection reports and improvement and assurance board minutes.

Should Members wish to refresh themselves on any of the matters considered during this Committee since May 2018 the agendas and minutes can be found on at powys.gov.uk under committee documents.
