Proposal							
Outline Summary / Description of Proposal							
Reduction in structure to accommodate Budget exigencies. This will include reducing Interim Professional Lead by 2 days per week and deletions of currently unfilled and vacant posts (2 posts) and reduction in supplies and services budget pending review of structure. The IA has been carried out on the basis of known current projects and does not take into consideration any potential future transformational or other intended procurements being planned by services.

4. Impact on Other Service Areas

**Does the proposal have potential to impact on another service area? (Have you considered the implications on Health & Safety, Corporate Parenting and Data Protection?)
PLEASE ENSURE YOU INFORM / ENGAGE ANY AFFECTED SERVICE AREAS AT THE EARLIEST OPPORTUNITY**

Yes in terms of delivery of procurements and projects across the Council. Unable to be specific in terms of direct impact on the Council's Vision but clearly reduction will have a clear impact if only in delaying slowing down ability to react swiftly to services procurements requirements and to drive improvement in budget reductions through procurement. As yet the potential impact has not been discussed with other Service Leads.
