

## 10. Reimbursement of Costs of Care

- 10.1 This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to Co-opted members of these authorities. The same provision for Community and Town Councils is set out in section 13.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role.
- 10.3 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the options for publication as set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of costs of care.

**Determination 39: All authorities must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.**

payments of the member's senior salary for the duration of the suspension (Section 155(1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the basic salary.

### **Co-opted member payment**

19. A relevant authority must provide for the payment of a fee to a co-opted member as determined by the Panel in its Annual or Supplementary Reports. In relation to this regulation 'co-opted member' means a member as determined in Section 144(5) of the Measure and set out in paragraph 2 of these Regulations.
20. Where a co-opted member is suspended or partially suspended from an authority (Part 3 of the 2000 Act refers) the authority must not make payment of a co-opted member fee for the duration of the suspension (Section 155(1) of the Measure).

### **Allowances**

#### **Costs of Care**

21. Authorities must provide for the payment to members and co-opted members of an authority the reimbursement in respect of such expenses of arranging the care of children or dependants or for the individual member as are necessarily incurred in carrying out official business as a member or co-opted member of that authority. Payments under this paragraph must not be made:
  - In respect of any child over the age of fifteen years or dependant unless the member/co-opted member satisfies the authority that the child or dependant required supervision which has caused the member to incur expenses that were necessary in respect of the care of that child or dependant in the carrying out of the duties of a member or co-opted member.
  - To more than one member/co-opted member of the authority in relation to the care of the same child or dependant.
  - Of more than one reimbursement for care to a member or co-opted member of the authority who is unable to demonstrate to the satisfaction of the authority that the member/co-opted member has to make separate arrangements for the care of different children or dependants.
22. The maximum amount of the cost of care payable by an authority is to be determined by the Panel in its Annual or Supplementary Reports.
23. Where a member/co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers) the part of the reimbursement of the cost of care payable to that member/co-opted member in receipt of the responsibilities or duties from

which that member/co-opted member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

24. An authority's Schedule must stipulate the maximum amount of the reimbursement of costs of care payable each month and its arrangements for making claims, taking full account of the Panel's determinations in this respect.

### **Travel and subsistence allowances**

25. Subject to paragraphs 26 and 27 below a member or co-opted member is entitled to receive payments from the authority by way of travelling and subsistence allowances at rates determined by the Panel in its Annual or Supplementary Reports. Such allowances are in respect of expenditure incurred by a member or co-opted member in the performance of the official business of the authority.

### **(Paragraphs 26 & 27 apply only to principal councils)**

26. Payment of a subsistence allowance to a local authority member for the performance of official business within the boundaries of a county or county borough where s/he is a member should only be made when the authority is satisfied that it can be justified on economic grounds. This does not apply in respect of co-opted members of a local authority who live outside that authority.
27. A local authority may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence allowances payable to that member/co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

## **Part 3: Further provisions**

### **Pensions**

29. Under Section 143 of the Measure, the Panel may make determinations in respect of pension arrangements for local authority members in its Annual or Supplementary Reports. Such determinations may:
  - Describe the description of members for whom a local authority will be required to pay a pension.

    - a body designated as a public body in an order made by the Welsh Ministers.
  - e. Names of members who did not receive basic or senior salary because they were suspended for all or part of the annual period to which the Schedule applies.

  - 1) The details of the amounts reimbursed to named members; or
  - 2) The total amount reimbursed by the authority during the year but not attributed to any named member.

It is a matter for each authority to decide which of these options for publication it considers appropriate.

It is also the responsibility of each authority to establish its own position on how to respond to any Freedom of Information requests it receives with regards to reimbursement of costs of care.

- 2. Nil returns are required to be published and provided to the Panel by 30 September.
