Council Priority	How does the proposal impact on this priority?	<u>IMPACT</u> Please select from drop down box below	What will be done to better contribute to positive or mitigate any negative impacts?	<u>IMPACT AFTER MITIGATION</u> Please select from drop down box below
The Economy We will develop a vibrant economy	<p>Maintaining the Shire museums across the county will have a positive impact on this priority.</p> <p>Powys Museums make a valued contribution to the economy in Powys, both as local businesses and tourist attractions. To further help with financial sustainability Powys Museums must consider how they can further increase the income they already generate.</p> <p>Museums and libraries draw people into town centres, and attract tourists, both of which benefit the local shops and businesses. Maintaining both services in Welshpool ensures the continuation of such benefits.</p> <p>Co-location should improve these outcomes through broadening the offer in one location.</p>	Good	Potential to further develop visitor attractions and associated spend	Unknown
Health and Care We will lead the way in effective, integrated rural health and care	<p>Visits to Museums for recreational purposes improve the health and wellbeing of residents, boosting mental health, along with social interaction.</p> <p>Volunteering contributes to community wellbeing and improves the Museum Service in addition to enabling personal development and involvement with heritage.</p> <p>Access to arts and cultural services overall enhances wellbeing.</p>	Neutral	Continue to investigate any ways to improve health and wellbeing outcomes for residents through partnerships and joint working with others. <p>Learning and skills We will strengthen learning and skills</p>	<p>Museums have proved to be ‘safe’ places in which people can learn and develop. This learning experience can come about either as a visitor or a volunteer giving people the opportunity to learn more about their local history and heritage.</p> <p>For volunteers the payback can be significant in terms of skills and employability. Volunteering helps people with their sense of being part of a workplace; helps them learn or improve their IT or other work-related skills; and improves their confidence to look for work.</p> <p>Museums have always been a vital resource of educational attainment, providing source material for a range of qualifications from GCSEs to PhDs. Museum collections have been widely used to bring a wide range of school subjects to life such as history, geography and provide the stimulus for projects as such as art and drama productions.</p>	<p>Neutral</p>	<p>Volunteer opportunities can offer the chance to develop new skills.</p> <p>Opportunities to develop local partnership working to promote learning opportunities</p>	<p>Unknown</p>
<p>Residents and Communities We will support our residents and communities</p>	<p>Powys Museums hold, care for and continue to develop collections for the county, which represent our rich and diverse culture. These in turn enrich the lives of people in our communities and help them live fulfilled lives.</p> <p>Volunteer opportunities should support a feeling of belonging to the local community.</p>	<p>Unknown</p>	<p>Continue to investigate any ways to improve this support for residents through partnerships and joint working with others.</p>	<p>Unknown</p>

A Wales of cohesive communities: Attractive, viable, safe and well-connected Communities.	Powys Museums contribute much to their local communities.
