5.	GOVERNANCE UPDATE
-----------	--------------------------

The Committee received the report from the Head of Finance.

The Committee noted the Scheme Advisory Board [SAB] Good Governance Project and that it is proposed that Administering Authorities must undergo a biennial independent governance review and produce an action plan to address any issues identified. In response to questions the Pension Fund Manager advised that he would circulate the Training Needs Analysis [TNA] survey again, for the Committee to complete. The TNA would identify any training gaps, for individual Committee members or the Committee as a whole.

The Pension Fund Manager highlighted to the Committee that the SAB was recommending that Administering Authorities should “give proper consideration to pay and recruitment policies in order to meet the needs of the pension fund; not simply applying general council staffing policies such as recruitment freezes.” The Head of Finance assured the Committee that although a review of Financial Services was currently underway, a percentage cut to the Pension Administration Section budget was not being applied. The review was however, considering the administrative processes to ensure that there is resilience in the Team.

The Committee noted that the SAB and The Pension Regulator [TPR] were promoting good Governance as an issue for Committees to consider. The TPR had reviewed Governance and administration risks in 10 Local Government Schemes [LGPS]. Good practice was evidenced but key areas for improvement were highlighted and the Pension Fund Manager advised that these would be reviewed in the Powys Pension Fund.

RESOLVED	Reason for decision
That the Committee notes the report.	As per the report.

6. AMENDMENT OF RISK REGISTER

The Committee received the report from the Head of Finance and noted that the Powys Pension Board had reviewed the Risk Register and also recommended that a potential risk in respect of the ongoing compliance with MIFID II be added. He advised that if the Committee was content with the inclusion of this potential risk, the wording should refer to the Fund being an institutional investor rather than a retail investor, as stated in the report. The Committee noted that the Risk Register formed part of the Council’s Corporate Risk Register which was also monitored by the Audit Committee.

RESOLVED	Reason for decision
That the risk PEN034 [ongoing compliance with MIFIDII be added to the Risk Register, subject to the potential consequence of the risk being amended to read as follows: Financial implications of not being treated as an institutional investor.	As per the report.

7. ACTUARIAL VALUATION UPDATE

Becky Durran and Sam Ogborne, Aon presented the Actuarial Valuation as at 31 March, 2019. The Committee noted that the valuation was a snapshot of the Fund undertaken every three years and considered its assets and liabilities, making assumptions about the future. Each employer would receive its own valuation based on its membership and the valuation set the employers contributions for the next three years.

The valuation had shown that the probability of funding success had increased from 73% in 2016 to 77% in 2019. The Committee noted the McCloud/Sargeant judgement and that Funds should consider their approach to the uncertainty

relating to this when setting the employers contributions from 2020. The Actuaries recommended that the prudent approach was that most employers' contributions should also increase by 1.1% to reflect this uncertainty.

The Committee noted that assets and liabilities had increased, but due to the performance of the fund the deficit had decreased. In addition the funding ratio had improved from 80% in 2016 to 93% in 2019 and the time period in which the Fund would be fully funded had decreased from 22 to 16 years.

RESOLVED	Reason for decision
That the Committee notes the Actuarial Valuation update.	As per report.

was buy-rated. The Committee noted that £12m would be transferred into cash and some of this fund could be transferred into the WPP fixed income mandates, rather than keeping all in cash, prior to the approval of the investment in the Graham Capital Management Fund.

The Pension Fund Manager recommended that the Committee:
