STATEMENT

1. Introduction

- 1.1 Regulation 61 of the Local Government Pension Scheme 2013 (as amended) [SI 2013 No. 2356] requires an administering authority to prepare, publish and maintain a statement that sets out strategy for communication and promotion of the Local Government Pension Scheme.
- 1.2 The Statement is required to include details of policy for communicating with Scheme members and their representatives; prospective Scheme members; and Scheme employers.
- 1.3 In particular, the Statement must set out policy on the provision of information and publicity about the Scheme to Scheme members, their representatives and Scheme employers; the format, frequency and method of distributing such information or publicity; and the promotion of the Scheme to prospective members and their employers.
- 1.4 The Statement must be reviewed and published following any material change relevant to the policy.
- 1.5 An effective communications strategy is vital for any organisation that strives to provide a high quality and consistent service to its customers. The complexity of pensions in general and the LGPS in particular, places communications at the heart of a high quality service provision.
- 1.6 There are six distinct groups with whom Powys Pension Fund needs to communicate:
 - Pension Fund Trustees and local Pension Board Members
 - Scheme Members
 - Prospective Scheme Members
 - Scheme Employers
 - Pension Fund Officers and Staff
 - Other Stakeholders
- 1.7 Set out in this Statement are the mechanisms which are used to communicate with each of these groups, together with a strategy for widening and improving communications and to promote the Scheme amongst non-members.

2. Principles Underpinning this Strategy

- 2.1 The drivers for communicating that underpin this strategy are:
- a) to inform and educate stakeholders and interested parties about the Powys Pension Fund and the Local Government Pension Scheme in an open and transparent manner;
 - b) to better facilitate accountability;
 - c) to promote the engagement of scheme members and employers.
- 2.2 Wherever possible the Pension Fund seeks to make its communications as open and as accessible as are needed by stakeholders. This includes:
- a) the provision of information through the medium of Welsh;
 - b) the provision of information in other languages if required;
 - c) where possible, providing communications in alternative forms for example in large print, via audio etc.
 - d) the increasing use of social media.
- 2.3 In the context of the LGPS, deciding on when to communicate is largely determined by the statutory requirements imposed upon the Pension Fund. The Pension Fund aims to provide communications to stakeholders within statutory timelines and, for non-statutory information, as and when required.

3. Pension Fund Trustees and local Pension Board Members

- 3.1 The Trustees of Powys Pension Fund (the members of the Pensions & Investment Committee - six Powys County Council Elected Members plus two non-voting members representing other participating Scheme employers and Scheme members) and local Pension Board Members (an independent Chair, two Scheme employer representatives and two Scheme member representatives) receive information, primarily in the form of written reports and email correspondence, that cover investment, actuarial and administration issues. Committee and Board members also attend conferences and seminars on the LGPS.
- 3.2 Completion of appropriate training for Pension Fund Trustees and local Pension Board Members is a mandatory requirement. Ongoing knowledge development and training is to be provided via Pension Fund Officers and advisers. Full details are set out in the Knowledge & Skills Framework Policy appended to the Pension Fund's Governance Policy & Compliance Statement.

In addition, employers receive copies of the Pension Fund's Annual Report & Accounts, Statement Of Investment Principles, Funding Strategy Statement and Governance Policy & Compliance Statement.
