The Adult Services Delivery Plan has clear objective of effectively managing demand for people with long term care and support needs. [Research from the Institute of Public Care](#) makes clear that the purpose of a review is to focus on whether the help being offered has assisted people in helping them to gain, regain or retain their levels of independence.

6. How does your proposal impact on the Welsh Government's well-being goals?

A prosperous Wales: An innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work.		Neutral		Choose an item.
A resilient Wales: A nation which maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change).		Neutral		Choose an item.
A healthier Wales: A society in which people's physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood. Public Health (Wales) Act, 2017: Part 6 of the Act requires for public bodies to undertake a health impact assessment to assess the likely effect of a proposed action or decision on the physical or mental health of the people of Wales.	The proposal will help ensure that we do what matters for individuals quicker within the community, which will help guard against unnecessary referrals into longer term care teams.	Good		Good
A Wales of cohesive communities: Attractive, viable, safe and well-connected Communities.		Neutral		Choose an item.

10. Overall Summary and Judgement of this Impact Assessment?

Outline Assessment (to be inserted in cabinet report)	Cabinet Report Reference:
There is well established evidence that reviewing packages of care in a strengths-based way can result in the rightsizing of care packages. This can help to use our limited home-based care resource in a more targeted way and in the longer term, reduce our reliance on domiciliary care providers.	

11. Is there additional evidence to support the Impact Assessment (IA)?

What additional evidence and data has informed the development of your proposal?

12. On-going monitoring arrangements?

What arrangements will be put in place to monitor the impact over time?
Monitoring will take place through the domiciliary care project board.
Please state when this Impact Assessment will be reviewed.

Quarterly as part of the SIP process
