

CYNGOR SIR POWYS COUNTY COUNCIL.

CABINET EXECUTIVE

9th February 2021

REPORT AUTHOR: County Councillor Phyl Davies
Portfolio Holder for Education and Property

REPORT TITLE: Llanfihangel Rhydithon C.P. School – Proposal Paper

REPORT FOR: Decision

1. Purpose

- 1.1. This paper requests Cabinet approval to commence the statutory process on the following proposal:
- To close Llanfihangel Rhydithon C.P. School from the 31st August 2022, with pupils to transfer to their nearest alternative schools
- 1.2. The report is supported by the following appendices:
- Appendix A – Options Appraisal
 - Appendix B – Draft Community Impact Assessment
 - Appendix C – Draft Integrated Impact Assessment

2. Background

Strategy for Transforming Education in Powys

- 2.1. On the 14th April 2020, a new Strategy for Transforming Education in Powys was approved by the Leader via a delegated decision.
- 2.2. The Strategy was developed following extensive engagement with a range of stakeholders during two separate periods between October 2019 and March 2020.
- 2.3. The Strategy sets out a new vision for education in Powys, which is as follows:

‘All children and young people in Powys will experience a high quality, inspiring education to help develop the knowledge, skills and attributes that will enable them to become healthy, personally fulfilled, economically productive, socially responsible and globally engaged citizens of 21st century Wales.’

2.3 The Strategy also sets out a number of guiding principles which will underpin the transformation of education in Powys. These are as follows:

- *A world class rural education system that has learner entitlement at its core*
- *Schools that are fully inclusive, with a culture of deep collaboration in order to improve learner outcomes and experience*
- *A broad choice and high quality of provision for 14 – 19 year old learners, that includes both academic and vocational provision, meeting the needs of all learners, communities and the Powys economy*
- *Welsh-medium provision that is accessible and provides a full curriculum in Welsh from Meithrin to age 19 and beyond*
- *Provision for learners with Special Educational Needs (SEN)/Additional Learning Needs (ALN) that is accessible as near to home as is practicably possible, with the appropriate specialist teaching, support and facilities that enables every learner to meet their potential*
- *A digitally-rich schools sector that enables all learners and staff to enhance their teaching and learning experience*
- *Community-focused schools that are the central point for multi-agency services to support children, young people, families and the community*
- *Early years provision that is designed to meet the needs of all children, mindful of their particular circumstances, language requirements or any special or additional learning needs*
- *Financially and environmentally sustainable schools*
- *The highest priority is given to staff wellbeing and professional development*

2.4. The new Strategy sets out a number of Strategic Aims and Objectives, to shape the Council's work to transform the Powys education system over the coming years. One of these Aims is to 'improve learner entitlement and experience' and includes an objective to 'rationalise primary provision'.

3. The Case for Change

3.1 WHY CHANGE IS NEEDED IN DOLAU

The following is a summary of the main challenges facing Llanfihangel Rhydithon C.P. School:

i) Low pupil numbers

Current pupil numbers¹ at Llanfihangel Rhydithon C.P. School are as follows:

¹ Finance NOR – 2020 Pupil Count Day (6th November 2020)

	R	1	2	3	4	5	6	Total
Llanfihangel Rhydithon C.P. School	7	10	2	8	5	0	5	37

The Welsh Government defines a 'small school' as a school with less than 91 pupils. Pupil numbers are significantly lower than this. Whilst a small increase is projected over the next couple of years based on information received by the Council's Finance Team, they are expected to remain low for the foreseeable future.

ii) High budget share per pupil

Based on the Council's Section 52 Budget Statement for 2020-21, the school's budget share per pupil during 2020-21 was £6,304. This is significantly higher than the Powys average of £4,264. Llanfihangel Rhydithon is ranked the 8th highest school in Powys by budget share per pupil².

iii) Temporary leadership arrangements

Leadership at the school is provided by the headteacher of Llanelwedd C. in W. School, as part of a long term temporary arrangement. This is a part time arrangement, with a teacher in charge responsible for the school whilst the acting headteacher is not on the site. This limits the time available to focus on leadership of Llanfihangel Rhydithon C.P. School.

iv) Combined age classes

The small pupil numbers at the school mean that pupils are taught in whole key stage classes, with Key Stage 2 in one class and Foundation Phase in another class. Because pupil numbers in each year group are small, it is more difficult to ensure all pupils are appropriately challenged.

4. Information about Llanfihangel Rhydithon CP School

The following is a summary of key data relating to Llanfihangel Rhydithon C.P. School:

5. Statutory Process for School Organisation Proposals

5.1 The process for school organisation proposals is set out by the Welsh Government in the School Organisation Code (2018). The process is summarised below:

i) **Consultation**

Consultation would be carried out with stakeholders as required by the Code. This includes consultation with the pupils at both schools, to ensure that their views are taken into account, in accordance with the United Nations Convention on the Rights of the Child.

Feedback from the consultation would be collated and summarised, and a report would be presented to the Cabinet. Cabinet will consider the report and the feedback received during the consultation period, and will decide whether to

¹⁰ 2019. Categorisations were not carried out in 2020 due to Covid-19.

¹¹ Section 52 Budget Statement 2020/2021

proceed with the proposal, to make changes to the proposal or to not proceed with the proposal.

If Cabinet decides not to proceed, that will be the end of this proposal.

ii) Statutory Notice

If Cabinet decides to proceed, a Statutory Notice would be published, which would give a period of 28 days for people to submit written objections.

If there were objections, the authority would publish an objection report providing a summary of the objections and the authority's response to them. A further report would be presented to the Cabinet, which they would consider alongside the objection report, in order to decide whether or not to approve the proposal.

iii) Implementation

If Cabinet approves the proposal, it would be implemented in accordance with the date given in the Statutory Notice or any subsequently modified date.

6. Presumption against closure of Rural Schools

The School Organisation Code (2018) includes special arrangements in regard to schools identified in Appendix F of the Code as rural schools, which require proposers to follow a more detailed set of procedures and requirements in formulating a rural school closure proposal and in consulting on and reaching a decision as to whether to implement a rural school closure proposal.

As indicated in the Code:

'This does not mean that a rural school will never close but the case for closure must be strong and all viable alternatives to closure must have been conscientiously considered by the proposer, including federation.'

The School Organisation Code includes a number of steps required to be taken when formulating a rural school proposal which relate to the following headings:

- Formulating the proposal
- Identifying reasonable alternatives
- Preparing a proposal paper for the decision maker

As the School Organisation Code identifies Llanfihangel Rhydithon C.P. School as a rural school, the additional requirements for rural schools have been addressed when developing the proposal paper.

7. Process of identifying preferred option

7.1 Officers have carried out an options appraisal on identified reasonable options for these schools, including the possibility of federation. This is attached to this report as Appendix A.

7.2 The options appraisal includes the following:

- Consideration of key data
- Identification of reasonable options
- SWOT analysis of each option
- Assessment of each option against a number of critical success factors
- Identification of an emerging preferred option
- Further consideration of the emerging preferred option against factors listed in the School Organisation Code (2018) as factors to be taken into account when developing school organisation proposals.

7.3 Based on the options appraisal carried out and further consideration against the factors outlined in the School Organisation Code, the preferred option is as follows:

Close Llanfihangel Rhydithon C.P. School, pupils to transfer to their nearest alternative schools

7.4 The reasons for this are:

- Would address the issue of low pupil numbers at Llanfihangel Rhydithon C.P. School
- Would reduce the Council's overall surplus capacity in primary schools
- Revenue saving to the Council
- Pupils would attend larger schools, which would be better equipped to meet the requirements of the new curriculum
- Pupils would attend larger schools, which could provide a wider range of educational and extra-curricular opportunities
- Pupils would attend schools with permanent leadership arrangements
- Meets all of the critical success factors

7.5 A draft Community Impact Assessment has been carried out on the preferred option, which considers the impact on the community. This has been developed with input from the school. This is attached as Appendix B.

7.6 The draft Community Impact Assessment includes the following conclusion:

‘It is clear that a wide range of extra curricular activities are available to pupils at Llanfihangel Rhydithon C.P. School. Should there be no school in Dolau, pupils would transfer to alternative schools. These would be larger schools, and the expectation is that at least a similar range of activities would be available for pupils. However, it is acknowledged that for pupils for whom Llanfihangel Rhydithon C.P. School is currently the closest school, additional travel would be required to enable pupils to access their closest school. This could impact on their ability to access activities, particularly where these take place after school.

The information received by the school suggests that there are extensive links between the school and the local community, and that many community activities are arranged in the school which are accessed by the community. It is therefore acknowledged that closure of the school could have an impact on the community in terms of the services and activities available.

Should the Council proceed with the proposal, it is anticipated that facilities and services would be provided in the community hall should there be no school in Dolau. However, the school has indicated that the loss of income provided by the school to the community hall could have a significant impact on the ability for the hall to continue to run.

It is also acknowledged that implementation of the proposal would result in additional travel to school for pupils for whom Dolau is currently their closest school. Whilst free home to school transport would be provided to eligible pupils in accordance with the home to school transport policy which is in operation at that time, it is acknowledged that there could be an impact on some pupils’ ability to access after school activities, and could impact on the ability of parents to take part in school events, meetings etc.

8. **Advice**

8.1 It is advised that Cabinet approves a recommendation to commence the statutory process on the following proposal:

- To close Llanfihangel Rhydithon C.P. School from the 31st August 2022, with pupils to transfer to their nearest alternative schools

8.2 The reasons for this are:

- Would address the issue of low pupil numbers at Llanfihangel Rhydithon C.P. School
- Would reduce the Council’s overall surplus capacity in primary schools

- Revenue saving to the Council
- Pupils would attend larger schools, which would be better equipped to meet the requirements of the new curriculum
- Pupils would attend larger schools, which could provide a wider range of educational and extra-curricular opportunities
- Pupils would attend schools with permanent leadership arrangements
- Meets all of the critical success factors

- 8.3 Should the recommendation to commence the statutory process be approved, it is anticipated that consultation would commence in February / March 2021.
- 8.4 It must also be noted that implementation of this proposal does not preclude that school from being a part of future reorganisation proposals.

9. Resource Implications

- 9.1 The amount of funding provided to schools is driven by the funding formula. Any change to the formula funding provided will impact on the Council's revenue budget. Based on the current formula, it is estimated that implementation of the proposal would result in annual revenue savings to the Council of around **£59,000** per annum. This overall figure comprises a potential saving on schools' delegated funding of over £52,000 and savings on catering costs of around £6,600. It is anticipated that any additional transport requirements would be managed within the current arrangements.
- 9.2 The school held a cumulative deficit balance of £970 as at 31st March 2020 and the budget plan submitted for the current year projects a surplus of £6,700.
- 9.3 The Scheme for Financing Schools also states the following in section 3.7.2:

'In order to ensure effective stewardship of the resources available to schools, the Authority may impose additional restrictions on a school scheduled to close, including but not limited to:

- Restriction of expenditure to agreed plans
- Removal of powers of virement'

The Council will consider the use of these powers of intervention where appropriate.

- 9.4 Implementation of the proposal would require involvement from a number of service areas, including staff from the Schools Service, Finance, HR and ICT. These service areas will be kept informed of the development of the proposal throughout the statutory process.

9.5 The Head of Finance (Section 151 Officer) notes the content of the report and can support the recommendation.

10. Legal implications

10.1 Legal : The recommendation can be supported from a legal point of view

10.2 The Head of Legal and Democratic Services (Monitoring Officer) has commented as follows: “ I note the legal comment and have nothing to add to the report”.

11. Comment from local member(s)

11.1 Comments will be provided at the meeting.

12. Integrated Impact Assessment (draft)

12.1 An initial impact assessment in respect of the recommendation is attached as Appendix C. The impact assessment considers the proposal's impact on the Welsh Government's well-being goals, as outlined in the Well-being of Future Generations Act.

12.2 The summary of the impact assessment is as follows:

‘The aim of the proposal is to improve the educational provision for learners. However, whilst this impact assessment has identified some positive aspects, in particular relating to learning and skills and ensuring the best strategic management of the Powys schools estate, the assessment has also identified some negative aspects. These primarily relate to the impact on the community of Dolau due to loss of educational provision from the area, and the associated additional travel requirements for pupils.’

12.3 Should Cabinet approve the commencement of the statutory process in respect of the recommendation, the impact assessment would be updated throughout the process, to take account of feedback received.

13. Recommendation

13.1 It is recommended that Cabinet approves commencing the statutory process on the following proposal:

- To close Llanfihangel Rhydithon C.P. School from the 31st August 2022, with pupils to transfer to their nearest alternative schools
