Sustainable Development Principle (5 ways of working)				
Long Term: Looking to the long term so that we do not compromise the ability of future generations to meet their own needs.	By embedding technology as an enabler, we will be creating the conditions for a more sustainable social care offer in the future.	Good		Choose an item.
Collaboration: Working with others in a collaborative way to find shared sustainable solutions.	We will work closely with Powys care homes to ensure that we work in partnership to embed the approach.	Good		Choose an item.
Involvement (including Communication and Engagement): Involving a diversity of the population in the decisions that affect them.	We will involve care homes, residents and their families through an initial trial, so that we take a collaborative approach to rolling out the approach.	Good	We will monitor usage to ensure that the technology is understood	Choose an item.
Prevention: Understanding the root causes of issues to prevent them from occurring.		Neutral		Choose an item.
Integration: Taking an integrated approach so that public bodies look at all the well-being goals in deciding on their well-being objectives.		Neutral		Choose an item.
Preventing Poverty: Prevention, including helping people into work and mitigating the impact of poverty.		Neutral		Choose an item.
