

CRONFA BENSIWN POWYS PENSION FUND

Knowledge and Skills Framework Policy

1 Introduction

- 1.1 This document sets out the policy of the Powys Pension Fund in relation to the knowledge and skills requirements that it places upon those serving as members of either:
- The Powys County Council Pensions & Investment Committee (being the principal decision-making and management body for the Powys Pension Fund), or
 - The Powys Pension Board
- 1.2 Commitment to this policy is an obligation placed upon those concerned as part of the discharge of their duties; as a matter of best practice and good governance.

2 Knowledge and Skills Framework

- 2.1 The Powys Pension Fund has adopted the CIPFA Knowledge and Skills Framework, as set out in the Code of Practice on pensions, in partnership with the Pensions Regulator. The Framework provides a roadmap to the knowledge and skills that should be held by those involved in the management and governance of the Powys Pension Fund, who are not themselves pension professionals. Whilst the Regulator provides access to relevant study and training materials.
- 2.2 All relevant Members will be assessed against the criteria set out in the Framework, as soon as possible following their appointment. This will be done by the completion of a Member Training Needs Self-Assessment Form.
- 2.3 On completion of the self-assessment form, the Section 151 Officer will assess the Member against the Framework criteria and determine what training is required to be completed and within what time period.
- 2.4 In total there are 6 areas of knowledge and skills that CIPFA have identified as the core technical requirements:
- pensions legislative and governance context
 - pensions accounting and auditing standards
 - financial services procurement and relationship management
 - investment performance and risk management
 - financial markets and products knowledge
 - actuarial methods, statements and practices.

3 Meeting Knowledge and Skills Needs

- 3.1 Identified knowledge and skills needs may be met by a variety of methods that will include, but are not restricted to:
- completion of specific modules in the e-Learning Public Service toolkit provided free online by the Pensions Regulator
 - attendance at external training events for pension trustees and/or board members
 - attendance at internal training events facilitated by Powys Pension Fund or Powys County Council
 - attendance at pension conferences, seminars and workshops that cover fund investment, scheme administration, fund governance, actuarial matters or other relevant areas.

4 Continuing Development

- 4.1 Pension fund matters do not stand still. Therefore, there will be a requirement to undertake continual development to remain up to date with general pensions and LGPS specific issues. The requirement is for all relevant Members, regardless of professional background, to undertake a minimum of 4 days continuing development in each scheme year (ending 31st March).
- 4.2 Completion of this requirement may be achieved by a range of attendances at, for example, LGPS Trustees Conference or LAPFF seminars.

5 Accountability and Transparency

- 5.1 Accountability and transparency are principles of good governance and best practice. Therefore, knowledge and skills needs, training and development undertaken and continuing development, will be monitored and recorded and published annually.
- 5.2 Failure by a Member to meet their obligations under this policy, may result in them being barred from serving on either the Pensions & Investment Committee or the Powys Pension Board, as applicable, and as determined by the Section 151 Officer.
