4. FINANCIAL FORECAST FOR THE YEAR ENDED 31ST MARCH 2021 (AS AT 28TH FEBRUARY 2021)
--

Cabinet considered the financial forecast for the year ended 31st March 2021 as
at 28th February 2021. The Portfolio Holder for Finance and Transport advised
that throughout February Welsh Government had provided additional grants
totalling £7.8 million to support council services. Some would be carried forward
and utilised in 2021/22, and some would offset expenditure in the current year.
The receipt of this additional support improved the financial position to a
projected surplus of £5.906 million (excluding Delegated Schools and Housing
Revenue Account (HRA). As a result of the improved financial position, and as
agreed by Council on 25th February 2021 an additional payment of £767,000
had been made into the Minimum Revenue Provision account and a £1.8 million
Powys Recovery Fund established, to support Communities and Council
Services. Also as agreed by Council any further opportunities that arise before
year end, would be earmarked to support the Capital Programme and
Transformation as a priority. With this in mind the following proposals were
recommended for action as part of year end:

- Transformation – that costs of £2.7 million this year be met from revenue
and not capitalised as originally planned. This will release the capital receipts to
support the Capital Programme.

- To ring fence £1.5 million of the surplus for remedial works by setting up a specific reserve to fund both revenue and capital essential remedial work.

The Portfolio Holder also reported that of the £12.394 million cost reductions proposals required during the year, 76% or £9.386 million had been delivered and a further 1% £158,000 are assured of delivery by Heads of Service. £2.851 million, 23% was unachieved and at risk of delivery in 2020/21, although some targets would be rolled forward into 2021/22.

The Leader and Portfolio Holder thanked the Welsh Government and UK Government for the additional financial support made available to the council. They also thanked the staff of the Finance section for their work over the past year.
