Step 1: Actively engage with residents, communities and key stakeholders to promote, shape and deliver our vision for 2040.	Cllr Rosemarie Harris (Powys County Council) Emma Palmer, Powys County Council	Development and implementation of a Public Engagement Platform.		A lot of preparatory work has taken place in quarter 4 in readiness for site implementation. A Data Protection Impact Assessment was agreed between partners, new site domains have been set up, and all security compliance checks have been carried out. We have now completed the purchase of a 3-year licence (with grant funding), and partners have had a scoping session to begin fleshing out the site. Due to the restrictions of pre-election period, we don't anticipate using EngagementHQ to its full potential until after the election. This means we'll have a softer launch from the end of March until early May, which will give us time to refine the site, resolve any teething problems, and train the wider team members.	Further training is now being arranged for Q1 of 2021-22.	GREEN	N/A	N/A	N/A	N/A

The campaign supports the aims and aspirations of the Powys Public Service Board and the 12-well-being steps in the Towards 2040 Plan, as well as the Corporate Vision 2025, which has key priorities including 'We will develop a vibrant economy'. It has promoted collaborative working and encourage residents to support locally produced goods, enjoy local attractions and facilities, when possible complying with Covid restrictions, to reduce the impact on the environment and promote responsible and sustainable use of resources. It has raised awareness, re-connect residents with the environment and encourage a reduction in the county's carbon footprint. STEP 6: Develop a holistic approach to skills and lifelong learning, which offers a range of formal and informal opportunities including apprenticeships and traineeships	Dr Caroline Turner Sarah Page	Schools' transformation and post-16 options	The Local Authority has been working on significant plans to transform its schools. The key to the skills agenda will be the reform of Post-16 education and the development of a network of all-age schools to deliver the new curriculum. The emerging proposals aim to secure improved learning opportunities for all learners through access to state-of-the-art facilities with a full blended offer of post-16 options, both general and vocational, and strong pastoral links with schools	<p>Strategic Objective 2.1 (Short-term improvements)</p> <ul style="list-style-type: none"> • Collaborative partnership working across north and south Powys sixth forms will deliver an improved breadth and quality of academic and vocational course provision across Powys through blended learning • To support the broadening of course provision the council and all Powys sixth forms are working together with further education colleges and other providers <p>Strategic Objective 2.2 (Reorganise 6th form provision across the county)</p> <ul style="list-style-type: none"> - Informal stakeholder engagement January to March inclusive has helped to evolve and shape the Post-16 proposal that will go to Cabinet in May - The proposal is to introduce strategic management of the Powys Post-16 offer which will ensure that the offer meets the learner entitlement criteria and has a breadth of academic and vocational courses in the medium of English and Welsh as well as meeting the needs of learners with Additional Learning Needs. Strategic management of the offer will ensure the offer is a Powys-wide one that is accessible to all learners. - Learner Focus Groups have been held with Llanfyllin and Llanfair Caereinion 6th form representatives and a further focus group has been arranged with Crickhowell. The focus group will be expanded to all secondary schools once established. - The Strategic Management process would mean the Strategic Management Board (SMB) (comprising PCC officers and representatives from Powys Sixth Forms) would either make recommendations for or would make the decision regarding* the spending of the Post-16 Grant Funding for Powys. There would also be two cluster groups feeding into the SMB – one for the north and one for the south of the county. The current centres would work together within their cluster groups to identify a suitable curriculum offer and this would be proposed to the SMB to review and approve according to strict delivery standards based on learner entitlement. This will ensure that the curriculum offer has the necessary breadth of vocational and academic, Welsh and English medium and ALN subjects as well as being a Powys-wide offer. <p>*Note this has not yet been determined and legal advice is currently being sought on this matter</p>	The Cabinet Report is being finalised currently and will be ready for first-stage submission to the Transforming Education Board on the 12th April and then for Cabinet on the 18th May. Pending approval from Cabinet the intention is to establish the SMB and clusters in May in order that the new strategic management arrangements can produce a curriculum offer by Christmas 2021 for applications to open for the September 2022 year 12 intake.	GREEN	That the post-16 proposal is not approved. This is a low risk as stakeholder engagement to date has received very positive feedback from all parties.	Continue to engage stakeholders and ensure that the final proposal takes stakeholder feedback into account	AMBER	Schools Transformation Programme Board
6	Dr Caroline Turner Lynne Griffin	Apprenticeship Talent pool	This was launched in 2019 and is a new initiative where people can register their interest in future apprenticeship opportunities within Powys County Council	<p>*A total of 80 applications received to date</p> <p>*Meeting held with the authority's Employer Liaison Officer (Communities for Work + programme) to consider possibility of identifying available apprenticeship positions external to PCC, so that those on the ATP register are aware of other suitable opportunities in the county.</p> <p>*Offering additional support to those whose apprenticeships are coming to an end with the council to secure further employment either internally or externally. e.g. CV writing and interview techniques</p> <p>*Communications team published information during National Apprenticeship week around the benefits of apprenticeships and the WG Employers Incentive which was available to those who recruited new apprentices before 28th February 2021</p>	*Keep sending APT members information regarding apprenticeship/employment opportunities *Refine further the data held on APT members to identify whether they still want to be considered as possible applicants *Raise awareness amongst service areas that the Employer Incentive scheme has been extended to 30th September 2021	AMBER	*Lack of apprenticeship positions available within the authority to meet the demand and interest created by the ATP	*Undertake further discussions with service areas in line with workforce planning activities to identify opportunities for creating apprenticeship positions	AMBER	Workforce Futures Board,

Partners include Powys County Council, Neath Port Talbot Council, Neath Port Talbot College, Swansea University, Aberystwyth University, PAVO, Neath YMCA, Neath Port Talbot Council for Voluntary Service, and Siawns Teg. 6	Dr Caroline Turner Paul Griffiths	Skills in Powys	The development of a Regional Skills Partnership for Mid Wales is key to developing a demand side driven skills agenda. The Joint Committee agreed the Terms of Reference in November 2020, and work is ongoing to establish a RSP Board and infrastructure, and then develop a detailed skills plan for the Mid Wales Region.	Current activity includes adverts and promotion of the position of Interim Chair for the Board along with recruitment of Board Members to represent the organisations and businesses listed in the Terms of Reference. A RPS Manager is also being recruited with an appointment offer having been made. The development of a detailed skills plan will commence once the RSP Manager has taken up post. Close liaison is currently taking place between the existing South West and Mid Wales RLPs to ensure a smooth handover of activity. Regular meetings have been held with WG Senior Civil Servants to ensure close cooperation.	It is planned to complete the process of setting up a Board alongside a calendar of meetings, the first of which will have been held. It is expected that the RSP Manager will have commenced duties and the skills plan will have commenced development. 							Climate Change Committee published updated Net Zero advice for Wales in December	Mention in consultation new advice published since development of the Powys strategy	Amber	Awareness raising has been conducted to enable informed decision making and control.
							Land including agriculture has been treated inconsistently in the AECOM report and strategy.	Mention in consultation with a view to carrying out a separate piece of work on agriculture to complete the picture of creating a carbon positive strategy that maximises green energy production.	Amber	Awareness raising has been conducted to enable informed decision making and control.
							AECOM Strategy not compatible with carbon positive trajectory - see points above on CCC and agriculture	Careful framing of the limitations of the AECOM strategy in the consultation. Work towards aligning with the Partnership Council for Wales route map to 2030.	Amber	Awareness raising has been conducted to enable informed decision making and control.
							Clarity on leadership of Working Group 7. Following WG hand over request 10th March 2021.	This will be passed from WG to PCC. It has been suggested this will be Martin Kemp.	Amber	This is tabled for agreement on the 29th April.
							Rapidly evolving policy landscape.	In March the Welsh Government set the national target to be aiming for net zero by 2050. The circular economy strategy has carbon as point 1 on the path. The Partnership Council for Wales has issues a route map for net zero by 2030 in the public sector. This encourages us to move quickly with sharing reports contracted.	Amber	Approval for consultation tabled for 29th April.
							Strategic alignment	Suggest that we utilise the Committee on Climate Change, Circular Economy Strategy and Partnership Council for Wales as guides that we look to strategically align to.	Amber	Tabled for 29th April
							Limited Resources.	WG resources for energy will help PCC but this will not reach the regeneration team. WG resources for green recovery will help PCC but have not reached the regeneration team. PCC currently has one person on climate change which includes carbon accounting, strategies, actions plans and internal support. Progress will be slow with current resources.	Amber	Team is currently being restructured by head of service.
							Covid Recovery	More an opportunity, to work with the priority of covid recovery in a green way. Working for a green recovery of region. Not only to build back, but to build back better. Considering strategically what we want to invest in as we build a sustainable future	Amber	PCC is developing recovery plans and is open to these having a green element.

							<p>The AECOM report uses a huge array of data sources, however does not consider existing town and community plans.</p>	<p>PCC have worked with community groups to develop a survey to create a baseline of action within communities of Powys. This will then be mapped to highlight the breadth of work in this area and make it easier for people and organisations to get involved.</p>	Amber	<p>Terms of reference sort from community "group of groups" and checked. 							<p>Cancelled PSB meetings may delay progress on AECOM report consultation</p>	<p>Meet with representatives of community groups every month to keep them apprised of work at PCC and learn about their work in this area. In addition to the survey done with community groups above. We also have a pledge form on the Grow In Powys website for individuals and organisations to pledge their commitment to net zero. We also have a live call within the region for solutions which can be implemented locally.</p>	Amber	<p>The April meeting will take place.</p>
