The internal audit has been carried out in accordance with the Committee's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and the internal audit conclusions on whether, in all significant respects, the following control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Committee.

The process of budget setting and reporting will need to accelerate as programme activity increases.
