Audit of Accounts Report

Introduction

- 1 We summarise the main findings from our audit of your 2022-23 Annual Report and Accounts in this report.
- 2 We have already discussed these issues with the Section 151 Officer.
- 3 Auditors can never give complete assurance that accounts are correctly stated. Instead, we work to a level of 'materiality'. This level of materiality is set to try to identify and correct misstatements that might otherwise cause a user of the accounts into being misled.
- 4 We set this level at £7.803 million for this year's audit.
- 5 There are some areas of the accounts that may be of more importance to the reader and we have set a lower materiality level for these, as follows; Related Party transactions (with individuals) £10,000
- 6 We have now substantially completed this year's audit except for completing our final review of the audit work undertaken.
- 7 In our professional view, we have complied with the ethical standards that apply to our work; remain independent of yourselves; and our objectivity has not been compromised in any way. There are no relationships between ourselves and yourselves that we believe could undermine our objectivity and independence.

Proposed audit opinion

- 8 We intend to issue an unqualified audit opinion on this year's accounts once you have provided us with a Letter of Representation based on that set out in **Appendix 1**.
- 9 We issue a 'qualified' audit opinion where we have material concerns about some aspects of your accounts; otherwise we issue an unqualified opinion.
- 10 The Letter of Representation contains certain confirmations we are required to obtain from you under auditing standards along with confirmation of other specific information you have provided to us during our audit.
- 11 Our proposed audit report is set out in **Appendix 2**.

Significant issues arising from the audit

Uncorrected misstatements

- 12 We set out below the one misstatement we identified in the accounts, which have been discussed with management but remain uncorrected. We request that this was corrected. If you decide not to correct these misstatements, we ask that you provide us with the reasons in writing for not correcting them:

Value of correction, £	Nature of correction	The reason we requested the correction
1,463k	<p>When the council prepared the draft account, it used its best estimate at the time which was the quarter 3 Fund manager reports and added in any known quarter 4 sales and purchases. The council were unable to use the quarter 4 reports as they were not available at the time.</p> <p>As at time of our audit the quarter 4 reports were available and the figure quoted for Private Equity Harbourvest was £61,804k, some £1,463k higher.</p>	To ensure that the figure within Note 11 of the accounts mirror the quarter 4 reports.

Corrected misstatements

- 13 There were initially misstatements in the accounts that have now been corrected by management. However, we believe that these should be drawn to your attention, and they are set out with explanations in **Appendix 3**.

Recommendations

- 14 There are no recommendations arising from our audit.

Representations regarding the 2022-23 financial statements

This letter is provided in connection with your audit of the financial statements of Powys Pension Fund for the year ended 31 March 2023 for the purpose of expressing an opinion on their truth and fairness.

We confirm that to the best of our knowledge and belief, having made enquiries as we consider sufficient, we can make the following representations to you.

Management representations

Responsibilities

We have fulfilled our responsibilities for:

- The preparation of the financial statements in accordance with legislative requirements and the CIPFA Code of Practice on Local Authority Accounting in the United Kingdom UK 2022-23; in particular the financial statements give a true and fair view in accordance therewith.
- The design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

Information provided

We have provided you with:

- Full access to:
 - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;

- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- The results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- Our knowledge of fraud or suspected fraud that we are aware of and that affects Powys Pension Fund and involves:
 - management;
 - employees who have significant roles in internal control; or
 - others where the fraud could have a material effect on the financial statements.
- Our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others.
- Our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- The identity of all related parties and all the related party relationships and transactions of which we are aware.

Financial statement representations

- All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.
- The methods, the data and the significant assumptions used in making accounting estimates, and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of the applicable financial reporting framework.
- Related party relationships and transactions have been appropriately accounted for and disclosed.
- All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.
- All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.
- The financial statements are free of material misstatements, including omissions.

Representations by Powys County Council

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by the Council's Governance and Audit Committee on xx/xx/xx

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware.

Proposed Audit Report

The report of the Auditor General for Wales to the members of Powys County Council as administering authority for Powys Pension Fund

Opinion on financial statements

I have audited the financial statements of Powys Pension Fund for the year ended 31st March 2023 under the Public Audit (Wales) Act 2004.

Powys Pension Fund financial statements comprise the fund account, the net assets statement and the related notes, including the significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2022-23.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31st March 2023, and of the amount and disposition at that date of its assets and liabilities,
- have been properly prepared in accordance with legislative requirements and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2022-23.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

My staff and I are independent of the pension fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the pension fund's ability to continue to adopt the going concern basis of accounting

for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit, the information contained in the annual report for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with the Local Government Pension Scheme Regulations 2013.

Matters on which I report by exception

In the light of the knowledge and understanding of the pension fund and its environment obtained in the course of the audit, I have not identified material misstatements in the annual report.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team; or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the financial statements, the responsible financial officer is responsible for:

- the preparation of the financial statements, which give a true and fair view;
- maintaining proper accounting records;
- internal controls as the responsible financial officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; and
- assessing the Powys Pension Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible financial officer anticipates that the services provided by Powys Pension Fund will not continue to be provided in the future.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit the financial statements in accordance with the Public Audit (Wales) Act 2004.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, the pension fund's head of internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to Powys Pension Fund policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in the following areas: revenue recognition, expenditure recognition, posting of unusual journals and (add as appropriate to the audit);
- Obtaining an understanding of Powys Pension Fund's framework of authority as well as other legal and regulatory frameworks that Powys Pension Fund operates in, focusing on those laws and regulations that had a direct effect on the financial

statements or that had a fundamental effect on the operations of Powys Pension Fund;

- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance and the administering authority;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business; and
- I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Powys Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other auditor's responsibilities

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Powys Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.
