Applications for licences for vehicles over this age would be considered by a sub-committee. In addition to MOTs, the Licensing Officer advised that the vehicle had been inspected by the Council's mechanic. The inspection by the Council's mechanic had been at the applicant's expense. There were no questions to the Licensing Officer from the Sub-committee members or the applicant.

The applicant explained how the vehicle was used and that the vehicle had three MOTs a year and was also inspected by a Council' mechanic each year, at his expense. The Sub-Committee noted the good condition and low mileage of the vehicle.

All parties confirmed that they had been able to make their representations.

The Sub-Committee withdrew to consider, in private, the application and the evidence they had heard, with the support of the Clerk.

On their return the Chair announced their decision. In reaching the decision members took into account the relevant written and verbal representations.

<b>Resolved</b>	<b>Reason for decision</b>
