Dear Ms Griffiths.

The images of the map that you received from Powys archives were of the 1902 ordnance survey map of Montgomeryshire - sheet 21:16 LV which had been over marked in 1910 in accordance with the inland revenues Land valuation scheme, under the terms of the 1910 finance act.

The images of the book were of the accompanying land valuation schedule also dated 1910.

Archives reference M/LVR/22.

Yours sincerely

Amanda
