The Welsh Language Governance Panel would monitor progress in their quarterly meetings and the Cabinet Member for Future Generations thanked the

Panel for their work on the strategy. Cabinet Members and the Chair of the Welsh Language Governance Panel, County Councillor Elwyn Vaughan, welcomed the ambition of the Strategy which would complement the Council's Welsh in Education Strategic Plan (WESP).

6.	FINANCIAL FORECAST FOR THE YEAR ENDED 31ST MARCH 2025 (AS AT 31ST DECEMBER 2024)
-----------	---

Cabinet received a report on the projected revenue budget outturn for the 2024-25 financial year, based on the full year forecasts as at 31st December 2024. The projected outturn position was forecast to be an underspend of £894k. This was an improvement of £3.8 million from Quarter 2 due to the actions taken in response to the forecast at quarter 2 and additional funding received from Welsh Government. 52.0% (£6.7 million) of the agreed cost reductions had been delivered by the end of the third quarter and a further 24.9% or £3.2 million was assured of delivery by services within the 2024-25 financial year. 23.1% (£3.0 million) were described as unachieved and were at risk of delivery in this year. Services were being challenged as to the reasons for the changes in positions for some savings proposals and would be required to consider mitigating action to ensure that they can deliver within the budget allocated.

The report also contained requests for virements requiring Cabinet or Council approval.

RESOLVED

1. That Cabinet note the current budget position and the projected full year forecast to the end of March 2024.
2. That the grants set out in section 5.1 of the report and Appendix C are noted.
3. That the virements set out in section 5.2 of the report are approved and those in 5.3 recommended for approval by Council.

7. TROCHI WORKING GROUP RECOMMENDATIONS

County Councillor Bryn Davies presented the recommendations of the Trochi Working Group. He explained that the Working Group had spent a year looking into Trochi arrangements in the county for a year and speaking to teachers and specialists. The Working Group recommended that there should be accessible late immersion centres (trochi hwyr) to ensure the right to access Welsh language education in all parts of Powys and that there was funding for transitional immersion (trochi pontio) on a permanent basis that is not dependent on temporary grants from the Welsh Government.

The Cabinet Member for a Learning Powys thanked Councillor Davies and the Working Group for their work which had highlighted the significant investment needed to meet the aspirations of the WESP. Officers would be asked to bring back a costed paper to Cabinet with proposals.

8. CAPITAL FORECAST 2024-25, AS AT 31ST DECEMBER 2024

Cabinet received an update on the financial position of the Council's capital programme for 2024/25 as at 31st December 2024.

The revised programme at the 31st December 2024 was budgeted at £86.44 million following the successful award of additional grants and the reprofiling of budgets between financial years. Actual spend amounted to £46.86 million, representing 54% of the total budget. County Councillor Aled Davies, Chair of the Finance Panel, noted that the Panel had queried the low percentage of spend and he asked if the underspend in the HTR budget from projects which had not gone ahead could have been vired to other projects to maximise spend. The Chief Officer – Place agreed to look into this.

The report also contained two recommendations for budget virements in respect of Ffrwdgrech Depot and Welshpool C in W, installation of Solar Photo Voltaic and Battery Storage and works required at Rhayader Waste Transfer Station to ensure it can continue to be compliant with revised guidance issued by NRW (Natural Resources Wales). The Cabinet Member for a Greener Powys welcomed these installations.

RESOLVED

RESOLVED that Cabinet adopt the Charter and its principles on behalf of Powys County Council as set out in Annex A to the report, and that these principles are followed wherever the response of Powys County Council to an incident is likely to have a significant impact of the confidence of an individual, their family, and/or community.
