Annual Letter 2018/19

I am pleased to provide you with the Annual letter (2018/19) for Powys County Council. This year I am publishing my Annual Letters as part of my Annual Report and Accounts. I hope the Council finds this helpful and I trust will enable it to review its own complaint handling performance in the context of other public bodies performing similar functions across Wales.

Whilst overall the number of complaints received relating to local authorities across Wales increased from 794 to 912, I am pleased that local authorities continue to work with my office to resolve many of these complaints at an early stage. This provides complainants with appropriate and timely remedies avoiding the need for my office to fully investigate complaints.

A summary of the complaints of maladministration/service failure received relating to the Council is attached.

Also attached is a summary of the Code of Conduct complaints relating to members of the Council and the Town & Community Councils in your area.

You will note that we received a relatively high number of complaints this year relating to members of the Council and members of Community and Town Councils in the area. However, please be assured that I do not consider that this is indicative of a fall in standards of conduct within the Council. Most of these

complaints were not taken to investigation following assessment either because they did not evidence conduct which was capable of breaching the Code or it was not considered in the public interest to consider the matter further. Neither do the complaints received identify any patterns or trends in behaviour. Nevertheless, in view of the numbers, I consider that there may be an opportunity for members of the Council, the Standards Committee and the Monitoring Officer to promote awareness and the importance of the Code of Conduct generally. Any assistance of this nature would be greatly appreciated.

The Public Services Ombudsman (Wales) Act 2019 has now been introduced. I am delighted that the Assembly has approved this legislation giving the office new powers aimed at:

- Improving access to my office
- Providing a seamless mechanism for complaint handling when a patient's NHS care is inextricably linked with private healthcare
- Allowing me to undertake own initiative investigations when required in the public interest
- Ensuring that complaints data from across Wales may be used to drive improvement in public services for citizens in Wales.

I am very much looking forward to implementing these new powers over the coming year.

Action for the Council to take:

- Present my Annual Letter to the Cabinet to assist Members in their scrutiny of the Council's performance
- Work to reduce the number of cases which require intervention by my office
- Inform me of the outcome of the Council's considerations and proposed actions on the above matters by **31 October 2019**.

This correspondence is copied to the Chief Executive of your Council and to your Contact Officer. Finally, a copy of all Annual Letters will be published on my website.

Yours sincerely

Nick Bennett
Public Services Ombudsman for Wales
